

Dear Sir or Madam,

We would like to apologize for the inconvenience and kindly ask you to extend the process time for the Deutsche Börse Group to 90 days.

The Annual General Meeting 2013 of the Deutsche Börse Group takes place on May 15th. It represents one of the most important and most extensive shareholder events for the company every year. All available employees of our office support the preparations for and execution of this big event to grant a smooth procedure. Due to this event we kindly ask you for an extension of the submission timeline for the UN Global Compact COP Reporting..

We thank you for your understanding in advance and remain with best regards.
