Subject: COP – UN Global Compact Grace Letter

Dear Sir /Madam,

I confirm our support for the ten principles of the Global Compact regarding human rights, labour, environment and anti-corruption. We are committed to make the Global Compact and its principles part of our company's strategy, culture and day-by-day operations.

Hereby we have a delay on the creation and share of our COP, please accept this letter as our organization compromise in order to extend the period for our COP in reference to our participation in the Global Compact.

We appreciate the consideration given to our request and we pleased to continue supporting the Global Compact.

Best Regards,
