

COPEL
Companhia Paranaense de Energia

DRPC-TA/024/2013/PRE

Curitiba, May 22, 2013

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a delay in the preparation process of our 2012 Sustainability Report, whose contents depict the actual progress and outcome of our corporate practices. Such report is expected to be shortly available, both in Portuguese and English.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 31, 2013 at the latest.

Sincerely yours,

Lindolfo Zimmer
Chief Executive Officer
