Ref. S/2013/837916
Subject: Communication on Progress

Dear Mr. George Kell,

Following your e-mail, the deadline for submitting EPAL's annual Communication on Progress is the 4th July 2013.

However, our COP (EPAL's Sustainability Report) is being written and it will be finished, including its graphical configuration, only at the end of August.

In this context, we propose to submit our communication until 31st August 2013.

Meanwhile, we would like to confirm the support to the ten principles concerning the respect to human rights, labour rights, the environment and anti-corruption.
