To our Stakeholders:

Request for a Date Extension towards the Submission of Oando PLC 2013
Communication on Progress

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a change in the personnel responsible for managing the company's relationship with the United Nations Global Compact which role also includes the timely collation of data, drafting and submission of the company's COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website before 31 August 2013 at the latest.

Sincerely yours,

Ayotola Jagun

Chief Compliance Officer & Company Secretary
