Dear Mr/Ms

Grace letter on behalf of DLG (participant ID 17851)

I am writing you on behalf of one of our clients, DLG, to request an extended deadline for submitting the company's first COP report. DLG signed up to the UNGC in September 2012, but is keen to have the COP reporting cycle follow their annual report cycle to allow for greater integration of financial and non-financial reporting. DLG has asked us as their auditors to request the extension.

Thus, we would like to request an extended deadline until March 1, 2013. Following this, DLG will be report at the same time every year.

Please advise on your decision,

Yours sincerely

Anne Mette Christiansen Mennecke
