TRANSNET SOC LTD COMMUNICATION ON PROGRESS 2013: REQUEST FOR GRACE PERIOD

As Transnet SOC Ltd (Transnet), we recognise that a key requirement for participation in the United Nations Global Compact (UNGC) is the annual preparation and posting of a Communication on Progress (COP) that comprises a statement of continued support for the UNGC, a description of practical actions with regard to the principles of the UNGC, and a measurement of outcomes or expected outcomes.

Our COP 2013 has been prepared accordingly, for submission on 25 July 2013.

As part of the Parliamentary process in South Africa, all State-owned Companies are required to table their Integrated Reports and Sustainability Reports in Parliament before being released to stakeholders. Our Integrated Report together with our Sustainability Report is due to be tabled in Parliament this week. We therefore request a grace period for submission of our COP 2013, pending notification of the completion of the Parliamentary procedure.

Sincerely yours,
