

Dear Saeed

Camp Management Elobeid wishes thank Pancrop for an excellent Job done during this period of heavy Troop Rotations.

3 Different Nationalities in Large Groups were Fed on a Shift Basis. Breakfast the Indians first , then the Pakistanis then the Chinese and so it went from Lunch to Dinner..

No Flights or Convoys were delayed as Breakfast was given as early as 5 AM along with Packed Lunch numbering hundreds.

All who came and went through this Camp were amazed at how they produced 500 to 600 Meals in one sitting and feed in 3 Shifts then cleaning up and immediately start preparing the next Meal. The flexibility they have shown in adjusting , to the changes in Troop movements on a daily basis ,is highly commendable.

We wish to Thank the entire Team of Pancrop Elobeid for a Fantastic Job done

Once again Thank you

Best Regards

Puji
