

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to staff changes, we would like to request for an extension period to post the COP. Our new COP report will be posted on the UN Global Compact website by 15 October 2008 at the latest.

Sincerely yours,
