Mr. Georg Kell  
Executive Director of  
United Nations Global Compact  
Room S-1880, New York, NY 10017

Dear Mr. Kell:

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that comprises a statement of continued support for the Global Compact, a description of the practical actions that our company has undertaken and a measurement of outcomes or expected outcomes.

We are late in sharing and posting our COP report, as we are still preparing it. This past week, we have attended a practical session at the Global Compact Vth Annual Local Networks Forum in Mexico in order to better prepare our company's COP.

We hereby ask for an extension period in order to be able to submit a COP that describes our company's efforts and progress to implement the ten principles of the Global Compact. We commit ourselves to post our COP by the last week of December 2007.

Sincerely,

  
Javier Soni Ocampo
