August 6, 2013

To our stakeholders:

We would like to submit our "CSR Report" as the COP.
We usually issue our Japanese "CSR Report" in September.
Then we translate it into English and issue English version in October.
We think it is appropriate to submit the English version of our "CSR Report"
to the UN-GC, so we apply for the extension of a deadline.

Sincerely yours,

Yuichi Murai

General Manager

General Affairs Department
