

São Paulo, August 7, 2013

To United Nations Global Compact,

Adespec Adesivos Especiais S/A recognize importance of the accurate documentation of the Communication on Progress (COP) and of the participating in the Global Compact, but due to the recent staff changes and new reorganization have caused delays in our submissions process.

We kindly ask for permission to postpone our COP report on the UN Global Compact website by 03/11/2013 at the latest.

Best Regards,
