TRANSNET SOC LTD COMMUNICATION ON PROGRESS 2013

I hereby confirm the Company's continued commitment of Transnet's SOC Ltd (Transnet) to upholding and supporting the Ten Principles of the United Nations Global Compact (UNGC) in the areas of Human Rights, Labour, Environment and Anti-Corruption. Transnet joined the UNGC on 6 July 2012 and 2013 therefore marks the first year of Transnet's annual Communication on Progress (COP).

Through Transnet's annual integrated reporting process, a Sustainability Report is compiled for our stakeholders. This year, we have included reference to the UNGC principles throughout the report, highlighting progress against these principles by making use of the UNGC icon. In addition, a UNGC table is included in the report outlining the progress made by Transnet in applying the principles in the past year. Being the first year of reporting, Transnet is reporting as a "Global Compact Active" participant.

We trust that the enclosed Transnet Sustainability Report 2013 meets with the COP requirements of the UNGC.

Kind regards,

A large, stylized handwritten signature in blue ink, appearing to read 'B. Molefe', is written over the typed name and title.
