RE“ Grace Letter

Continental Forests Ltd hereby requests the extension of the grace period within which to submit our first communication on progress.

We have been unable to conclude the report on time due to a hectic fire season that consumed our time to prevent fire hazards from destroying our forest.

We are hopeful to submit our COP by 31st August 2013 but in any case no later than 90 days from today.

We thank you for your kind understanding.

Best regards
