## STATEMENT

As Furnas Centrais Elétricas S.A. CEO, this is to declare that since 2003 the Company has been actively engaged with the support of the work of the United Nations (UN) Global Compact, and has likewise become one of its active members, thus enforcing the role it plays in the Compact, which is hereinafter being reinforced. We shall endeavor all our efforts to disseminate among our stakeholders the best practices in the areas of Human Rights, Labour, Environment and Anti-Corruption.

Furnas 2012 Sustainability Report was submitted to the Global Compact as 2013 Communication on Progress (COP). It defines in its several accompanying chapters those practices that confirm the commitments made to the terms of the Compact, and the relevant information on the Company's achievements as defined by our own Sustainability policy.
