TO: NGA's Stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard of the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We at NGA will need more time, which will result in a late posting of our COP report that is due September 10, 2013. This delay will allow NGA to align our annual reporting processes with the COP reporting.

We hereby request an extension period in order to be able to post a COP that describes NGA's effort and progress to implement the principles of the UN Global Compact.

Our new COP will be posted on the UN Global Compact website by December 10, 2013 at the latest.

Sincerely,

A handwritten signature in cursive script that reads 'Esther Wright'.
