**Grace Letter / COP 2013**

Dear Sir/Madam,

With this letter we hereby request a grace period for our COP/ 2013 which is currently under preparation. In the coming COP we include specific new architectural projects of high sustainable value and we just learned that essential information cannot be released until after deadline on September 6.

schmidt hammer lassen architects has supported the Global Compact initiative since 2008 – and we recognise that a key requirement for participating in the UN Global Compact is the annual preparation and submission of a COP, this year we submit our fourth COP.

Yours sincerely

**Trine Steffenauer**
