

Publicity

We would like to let you know that we used **our website** as a communication vehicle in order to publicly advocate that AKRITAS is a signatory of the Global Compact. More specifically we devoted some pages with the heading of corporate social responsibility.

POLICY 2006

Recently, we (mention any actions we have taken within the scope of Global Compact, in relation with its ten principles).

ENVIRONMENT

AKRITAS also makes financial contributions to and encourages the work of a number of well-respected environmental agencies in Evros Prefecture, **where its headquarters are located** , such as

- The Museum of Natural History of Alexandroupolis , is a newly established building that its basic aim is to promote the flora and fauna in all their levels (species genetic,ecosystems,landscape) **of the Evros Prefecture and generally of Thrace.** Moreover, It will make known the geophysics and ecological specialities of the wider region of Thrace. The Museum of Natural History of Alexandroupolis is appropriate to contribute to the information, sensitivity and education of the public about the environmental problems in a local level through educational programs and also to encourage models and activities that reassure the environmental quality and life's quality generally.

SOCIETY

The community in which a business lives, works and grows is its immediate natural environment and must be an object of attention and offering.

With compassion and responsibility and in collaboration with local government and authorities, AKRITAS actively participates in the life of the local community of the Municipality of Tichero, where its production facilities are located, and supports it during difficult times

- 🌈 AKRITAS `care to date has focused mainly on financial support for the Municipality of Tycherio to cover various social needs and simultaneously to develop strong ties with the local region. More specifically, AKRITAS contributed financially to the horse club of the Municipality. This is a department of therapeutic society for children with special needs (natural, intellectual and emotional hysteresis).

- ✚ AKRITAS also made financial contributions to the SOS village of Evros prefecture which is a charitable union that helps children in need of care and protection, since they are away from their natural, family environment.
- ✚ In the wider social sphere, AKRITAS continually supports the Anatolia College Scholarship Programme for Economics students in the Balkans
