To whom it may concern:

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that comprises of a statement of continued support for the Global Compact, a description of practical actions that our company has taken since our last COP, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to:

- **recent top management change (As of November 1st, 2008 Moldcell company has a new GM)**
- **the responsible person for creating, sharing and posting our COP is in maternity leave and some plans went differently that it was estimated.**

We hereby ask for an extension period in order to be able to submit a COP that describes our company's efforts and progress to implement the ten principles of the Global Compact. Our new COP report will be posted on the Global Compact website by **8.02.2009** at the latest.

Sincerely yours,

Mrs. Rodica Verbeniuc,
Corporate Communication Unit Head MOLDCELL SA
