To our stakeholders:

RE : Request of Extension of the COP Submission Due Date

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to busy work schedule, we are late in creating, sharing and posting our COP report. We would like to request for an extension of the submission for Communications on Progress (COP) as we required more time to complete the said document. Our new COP report will be posted on the UN Global Compact website by 4 Jan 2014 at the latest.

Thank you.

Yours faithfully,
TFP Solutions Berhad
