To Whom it May Concern,

On behalf of STORMTECH I would like to formally request a grace period until Dec 21 2009 to prepare our initial COP for submission. We have recently lost our Sales & Marketing Coordinator who was coordinating this project and unfortunately the deadline was lost on the departmental calendar.

I can assure you that this is not the norm for our company and we are most apologetic for the error.

Your understanding of the situation and not listing STORMTECH as “non-communicating” on the public website during this grace period would be most appreciated.

Sincerely,

Mike Dreher

Director of Marketing & International Sales Coordinator
