Dear Mr. Secretary-General,

I am pleased to confirm that Partners in Change supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. Apart from supporting the ten UNGC principles Partners in Change also supports the six Principles for Responsible Management Education (PRME).

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and work-streams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Yours sincerely

Viraf M Mehta
