Sevran, October ^{2nd}, 2013

Dear Sirs,

In accordance with our obligations as a member of UN Global Compact, we have to prepare a Communication On Progress (COP) for October 3rd, 2013.

We have not finalized yet our report, but we expect doing it for October 23rd, 2013 at the latest.

That is the reason why we would be grateful if you could grant us an extension of the COP due date.

Yours faithfully.
