### STATEMENT OF SUPPORT

Citi is committed to support the ten principles under the United Nations Global Compact at our workplace. Our business policies incorporate the ten principles and we will continue to support these core values in the areas of human rights, labour rights, the environment and the fight against bribery and corruption. More information is available in our Corporate Citizenship Report and on our website.

A handwritten signature in dark ink, appearing to read "Adam Abdur Rahman", written over a horizontal line.

Adam Abdur Rahman

Country Head of Corporate Affairs
