One-time Adjustment Request

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of the Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

In order for Danske Spil to align the COP reporting for 2013 with the company's annual report cycle, we request for a one-time extension of our COP deadline. The one-time adjustment of our COP deadline will enable us to post our COP on the same data as our annual report, which is planned to be released April 1, 2014 at the latest.

The deadline for posting and upload of our COP report for 2013 should therefore be April 1, 2014.

Sincerely yours,

Pernille Sonne
Vice President
