Grace Period

Dear Sir / Madam

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because we have decided to integrate it fully into Swissport's Sustainability Report which will be issued for the attention of all our stakeholders yearly.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Swissport's Sustainability Report – which will include our new COP report – will be posted on the UN Global Compact website by the 31st December 2013 at the latest.

Yours faithfully,

Per H. Utnegaard, President & CEO
