Dear Mr. Secretary-General,

We are pleased to confirm that pervormance international has supported the ten principles of the Global compact in 2012/13 with respect to human rights, labour, environment and anticorruption and will follow her effort in 2013/2014.

With this communication we express our intent to further advance those principles within our sphere of influence.

We will make the Global Compact principles part of our strategy, culture and daily operations and will engage in partnerships to advance the broad UN goals.

We will further do annually the submission of the Communication on Progress (COP) that describes our effort.

Sincerely yours
