To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We hereby ask for an extension period in order to be able to post a COP that describes Deloitte Namibia's efforts and progress to implement the principles of the UN Global Compact. We request that Deloitte Namibia COP report be submitted together with Deloitte Touche Tohmatsu (DTT) COP submission in October of each year to align the Deloitte Namibia and the DTT COP submission cycles.

Sincerely yours,

Junius Mungunda
