Subject: A statement of continued support for the Global Compact

To whom it may concern,

With this letter I would like to confirm BP Georgia's support to the UN Global Compact.

Being the part of the local Global Compact, we adhere to its principles and are actively involved in various activities.

The information available on www.bpgeorgia.ge under its section dedicated to the Environment and Society gives numerous examples of it.

In addition, for eight years now we produce Sustainability Report, which is an account of our sustainability performance in Georgia.

Sincerely,

A handwritten signature in blue ink, consisting of several fluid, overlapping loops and strokes.
