

ESPLANADE ZAGREB  
LUXURY HOTEL

Zagreb, 28<sup>th</sup> October 2013.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that we are no longer part of the Regent chain and by leaving the chain had to change all our email (and other contact points) and have not received any notification in regards to the subbition deadlines.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by November 29th, 2013. at the latest.

Sincerely yours,

Ivica Krizmanić
