To our stakeholders:

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that comprises of a statement of continued support for the Global Compact, a description of practical actions that our company has taken since our joining the Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to lack of experience in creating COP report as we are a new member in Global Compact and due to vacations of our employees in charge of preparing the report.

We hereby ask for an extension period in order to be able to submit a COP that describes our company's efforts and progress to implement the ten principles of the Global Compact. Our new COP report will be posted on the Global Compact website by August 15, 2008 at the latest.

Sincerely yours,

Anita Ozolina  
Chairman of the Board
