To our stakeholders:

North American Communications, Inc. (NAC) recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to changes in operations in the U.S. and Mexico, NAC will be late in creating, sharing and posting our COP report.

NAC hereby requests for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 1, 2010 at the latest.

Sincerely yours,

Tera Herman  
Vice President
