Adjustment Request on COP 2013 for Farstad Shipping ASA

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We now request for an adjustment of our Annual Communication on Progress, to align it with our reporting cycle of the company's Annual Report in April every year.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30th April 2014, at the latest.

Sincerely yours,

Ms. Liv Ingrid Ruset
Corporate Liaison Officer
