November 15th 2013

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to December 14th 2013.

The main reason of this it's during 2013 Experiencias Xcaret has been working on the opening of new products and have had internal changes in our department, which is the responsible of leading the compilation of information of this document that presents the results of our Corporate Social Responsibility Initiatives to our different stakeholders.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new Sustainable Report 2012 will be posted on the UN Global Compact website by December 20th 2013 at the latest.

Sincerely yours,
