Dear Mr Secretary-General

**Barangaroo Global Compact Communication on Progress 2013**

We are pleased to present the Barangaroo Delivery Authority's 2013 Communication on Progress Report.

The Barangaroo Delivery Authority has been a signatory to the UN Global Compact since 2009 and we remain committed to ten principles in the areas of human rights, labour, environment and anti-corruption.

Barangaroo aims to create a Climate Positive precinct that delivers best practice environmental and social sustainability in delivery and operation.

In 2013 Barangaroo achieved significant construction and delivery milestones. Throughout, the UN Global Compact framework and annual communication on progress provides a valuable structure and mechanism for reporting as we continue to create a new city waterfront city precinct.

Please find attached 2013 Communication on Progress report illustrating the Authority's ongoing work to implement the ten principles as we aim to create a new Climate Positive precinct for the people of Sydney, NSW and showcase for the world.

Yours sincerely
