## Communication on Progress – Un Global Compact

October 2013

### Statement of continued support

10<sup>th</sup> October 2013

To our stakeholders:

I am pleased to confirm that John Liscombe Ltd reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

Yours faithfully,

Stephen Morris  
Joint Managing Director

## **Human Rights Principles**

Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and

Principle 2: make sure that they are not complicit in human rights abuses

## **Assessment, Policy and Goals**

Liscombe's goal is to influence the respect of our employees and our business partners given to the Universal Declaration of Human Rights and environmental protection.

Based on this commitment we have drawn up a Corporate Social Responsibility Policy which incorporates Environmental and Ethical Trading commitments and shared this with employees and our business partners.

## **Implementation**

We have implemented a programme to reduce human rights risks.

This includes:

- Enhanced employee participation in decision making through works committees
- Raising awareness with employees concerning human rights including employee safety
- Raising awareness with global business partners of their responsibilities concerning human rights

## **Measurement of outcomes**

There have been no legal cases or complaints made against the Company in the area of Human Rights in the period in question, or at any time over the past 140 years.

Under the Company Handbook there are company procedures for addressing complaints or allegations with regard to Human Rights, which are reviewed annually by Senior Management.

## **Labour Principles**

Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;

Principle 4: the elimination of all forms of forced and compulsory labour; Principle 5: the effective abolition of child labour; and

Principle 6: the elimination of discrimination in respect of employment and occupation

## **Assessment, Policy and Goals**

The Liscombe Company handbook and policies state the right of freedom of association and clearly set out employee rights, compensation and responsibilities.

Our policies clearly set out that Liscombe does not tolerate discrimination under the protected characteristics to ensure fair and equal treatment of all employees.

It is Liscombe policy to ensure that its employees work in a safe environment, and that Liscombe's activities do not have an adverse impact on any third parties' health and safety.

Liscombe has established an Ethical Trading Policy which it shares with its business partners which require these parties to adhere to the Labour principles.

## **Implementation**

Liscombe has established a Health and Safety Management System which conforms to OHSAS18001 in order to ensure the occupational health and safety of employees, business partners and third parties. It is the stated goal of Liscombe to have this Health and Safety system independently accredited to the OHSAS 18001 standard within one year.

The Health and Safety Management System includes employee participation in the form of a Safety Committee in which employees are encouraged to suggest improvements which enhance the safety of all stakeholders.

Health and Safety awareness training form a core part of the Liscombe induction training for all new employees. Ongoing Health and Safety training and awareness are promoted as part of an annual training plan.

Liscombe monitors the Labour practices of key suppliers through a programme of visits to supplier and audits.

Responsibility for Health and Safety is vested at Board level within Liscombe.

## **Measurement of outcomes**

Liscombe has seen continual year on year reductions in the Accident Frequency Rate from 2005 to 2012.

One employee celebrated over 50 years of working for the Company in 2012, and the Company will invite employees past and present to a free party in October 2013 to celebrate 140 years of trading.

There have been no legal cases brought against the company in the area of labour relations in the year to 2012, nor in the previous 10 years.

Liscombe is currently awaiting an external audit by SGS of its Health and Safety Management system.

Labour and Health and Safety issues are reviewed regularly by Senior Management

## **Environmental Principles**

Principle 7: Businesses should support a precautionary approach to environmental challenges;

Principle 8: undertake initiatives to promote greater environmental responsibility; and

Principle 9: encourage the development and diffusion of environmentally friendly technologies

## **Assessment, Policy and Goals**

Liscombe has established an environmental assessment of its activities, which has determined that its prime impact on the environment is directly related to moving its goods physically through the supply chain to its customers

Liscombe is committed to reducing the impact of its operations on the environment

Liscombe actively works with its business partners to seek to minimise its impact on the environment and has established an Environmental Policy which is shared with employees and business partners.

Liscombe has established an Environmental Management system which confirms to ISO14001. It is the goal of Liscombe to have this Environmental Management System independently accredited to ISO14001 within one year.

## **Implementation**

Liscombe has established and extended its recycling activities to encompass not only paper recycling, but also plastics, metal and cardboard recycling.

Liscombe has established an energy management programme in the past 12 months which aims to control and reduce consumption.

Liscombe actively negotiates with its business partners to promote more environmentally friendly methods and processes for moving and receiving goods.

Description of concrete actions to implement environmental policies, reduce environmental risks and respond to environmental incidents.

Environmental training forms part of the Liscombe and ongoing training programme for all employees.

Responsibility for Environmental Management is vested at Board level within Liscombe.

## **Measurement of outcomes**

Liscombe reuses 98% of the cardboard which it receives from suppliers

Liscombe has established procedures under its Environmental Management system for addressing and reporting environmental incidents.

There have been no legal or other actions brought against Liscombe for any environmental matters during the past 10 years.

Liscombe is currently awaiting an external audit by SGS of its Environmental Management System.

The Environmental Management system is subject to annual review by Senior Management.

## **Anti-Corruption Principles**

Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.

## **Assessment, Policy and Goals**

Liscombe has carried out an anti-corruption risk assessment and this has established that while the risk to Liscombe is low, controls are required to ensure that these risks are minimised.

Liscombe has established within its Corporate and social Responsibility Policy framework an Anti-Corruption policy which is shared with its employees and business partners.

Liscombe has anti-corruption principles and procedures set out in its Company handbook.

## **Implementation**

Liscombe has introduced anti-corruption training as part of its induction and ongoing training programme for employees.

Liscombe has shared its anti-corruption procedures with key business partners worldwide this year.

Anti-corruption policy and management is vested at Board level within Liscombe.

Liscombe maintains tight financial control of all expenditure on employee and other expenses, to ensure that spending is transparent.

Our accountants are subject to external annual audit.

## **Measurement of Outcomes**

There have been no legal or other cases brought against Liscombe in the area of anti-corruption in the past 10 years.

Our external auditors have passed our accounts without qualification for over 10 years.
