Dear Mr. Secretary-General,

I am pleased to confirm that ADELCA C.A. will keep supporting the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption during this new year.

With this communication, we express our intent to support the principles within our area of influence. We are already making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millenium Development Goals, ADELCA is makingim a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Sincerely yours,

**Mr. Carlos Avellán
CEO, ADELCA C.A.**
