To whom it may concern:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are in the midst of preparing the COP report that documents the organization's efforts and progress to implement the principles of the UN Global Compact. We target to post our new COP report on the UN Global Compact website in the middle of next month.

Yours Sincerely,
