To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to several inter-organizational time occupying projects like ERP solution deployment across the board of the holding group and other projects as well.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 23<sup>rd</sup> April 2013 at the latest.

Sincerely yours,

*Mr. Mohammed Bosso*  
*Business Development Manager*
