**Senior Vice President Public Affairs**

Paris, 26 July, 2010

We hereby submit a grace letter to apply for an extension of our COP deadline by two weeks (fifteen days), until August 13, 2010, because this year our Communication on Progress will be web based, and our corporate website [www.total.com](http://www.total.com) is currently undergoing some important changes (addition of new sections, including for the Communication on Progress), which will be finalized during the first half of August.
