To whom it may concern:

Knowing the importance of participating in the Global Compact and how vital is the accurate documentation of the Communication on Progress (COP), we are writing you to ask for a deadline extension in order to have the needed time to gather and post the required information.

We have been informed that the report of Karinca Logistics A.S. has to be sent in the next 60 days. We are committed to fulfill this Global Compact requirement, however we request you a period of grace in order to complete the process.

Best Regards,
