

**Central Romana Corporation, Ltd.**

Wednesday, August 11<sup>th</sup> 2010

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in sharing and posting our COP report due to a final revision on the latest draft by our Executive Vice-president, who is currently out of the country and is expected to be back in the office within two weeks.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 31<sup>st</sup> 2010 at the very latest.

Sincerely yours,

Jorge A. Sturla
