Vejle, 14 th. January 2014

To whom it may concern,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress report (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the ten principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We sincerely want to postpone our annual COP deadline **until 01-05-2014** in order to align our reporting cycle with our COP deadline. Our COP 2013 will then be based upon figures from 01-11-2012 until 30-10-2013 equivalent to our financial period.

We hereby ask for a short extension period in order to be able to post our next COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 01-05-2014 at the latest.

Sincerely yours
