

Madrid (Spain), January 24th, 2014

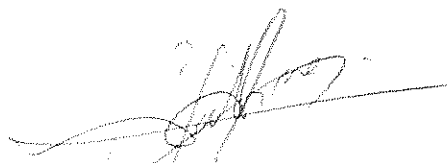

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

The reason why we are late in creating, sharing and posting our COP report is that in order to prepare and post the COP, we first need the internal approval of the NATRA Corporate Social Responsibility Report related to 2013, being NATRA a public company and being this approval scheduled at the end of March 2014.

As a consequence of the above, we hereby ask you for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website not later than 30 April 2014.

Sincerely yours,
