COP Grace letter

Dear Communication on progress team

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that consists of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes and/or expected outcomes.

We are facing a delay in creating, sharing and posting our COP report due to the fact that we are planning to publish a combined CSR Report for the reporting period 2012 and 2013 and figures for 2013 will not be available before mid-March 2014.

Our company's Communication on progress (COP) is due on February 13, 2014. As the joint Casinos Austria – Austrian Lotteries Sustainability Report 2013 will be published by May 3<sup>rd</sup>, 2014, we would kindly ask you to allow a grace period for Casinos Austria's COP.

We plan to publish the COP till May 3<sup>rd</sup>, 2014.

Thank you very much.

Kind regards

Hermann Pamminer
