

24 February 2014

Dear stakeholder,

In June 2008, Rosy Blue* became Global Compact participant, enhancing our commitment to promote the ten universally accepted principles covering human rights, labor standards, environmental protection and anti-corruption.

The Rosy Blue business alliance is committed to publish an annual communication on progress report.

A brief overview of the progress was published in February 2013. For our new reporting cycle, we hereby confirm that the reporting cycle has been changed to reflect the De Beers Supplier of Choice dates.

We therefore have asked to adjust our annual reporting date to June 1st.

Sincerely,

Iris Van der Veken

Manager Corporate Affairs global
