

Electronic Manufacturing Limited
Communication on Progress
Nov. 2012 – Nov. 2013

STATEMENT OF CONTINUED SUPPORT

With this statement, I am pleased to confirm that AuOne Electronic Manufacturing Limited reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our customers & suppliers using our primary channels of communication.

Sincerely yours,

Ao Chi Man
Chairman & General Manager

INTRODUCTION OF AUONE

AuOne was founded in 1996. We specialize in the manufacturing of thermal control and limiting device, such as thermostat, thermo-fuses and electrical contacts. Our products have been widely utilized in many electrical appliances such as hair dryer, fan heater, steam iron, toaster, oven, frying pan, motor and transformer.

We are strong in product development and have an innovative team of engineers to provide customized services. On top of having the best quality, competitive prices and prompt delivery, we work closely with customers to develop products to meet their specific requirements.

Our products are UL, CUL, VDE, CQC approved and RoHS compliant. Our products also have PAH & REACH reports.

We have also obtained ISO9001:2008 and ISO14001 certificates and we are carrying out the implementation of OHSAS18001 (Occupational Health and Safety Assessment Series).

Our company goal is to make our customers better by continuously upgrading our quality in both product and service.
