

United Nations Global Compact

Copenhagen, 5. March 2014

Regarding: Grace Period for Global Compact reporting

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

While our COP is in progress and almost complete, we are late in creating, sharing and posting our report due to unforeseen project deadlines that have temporarily diverted resource attention.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 1, 2014 at the latest.

Yours sincerely,

Brad Hester
Regional Director
