Dear Sirs,

We refer to our COP deadline, which is the 18th January 2012.

We hereby request for an adjustment of the deadline. The reason for the request is that we each year will issue a Corporate Responsibility Report during March (first time March 2012).

We kindly ask you to accept the deadline to be adjusted to 1st April each year, first time 1st April 2012.

Best regards,
