Subject: Grace Letter

To whom it may concern,

As a part of its UNGC participation in 07<sup>th</sup> March 2013, Kıymet-i Harbiye has to submit its first Communication on Progress (CoP) no later than 07 March 2014. We intend to submit our progress on UNGC 10 principles as a part of our sustainability report. Through our first CoP we intend not only to demonstrate this year's progress, but also establish a framework which will serve us as a baseline for upcoming reporting years.

Therefore, we hereby ask for an extension period of 90 days in order to be able to post a CoP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

We appreciate the consideration given to our request, and we greatly value our continued support to the UN Global Compact.

Faithfully,

Murat ÖZDEN

President of Board of Directors

Kıymet-i Harbiye
